

2006 INDEX (vol. 4)

This index can also be found at: www.medicalletter.org/downloads/tgindex2006.pdf

A

Abacavir, for HIV infection, 67–68, 70t
ABC. *See* Abacavir
Abilify. *See* Aripiprazole
Accupril. *See* Quinapril
ACE inhibitors, for heart failure, 1, 3t
Aceon. *See* Peridopril
Acetadote. *See* N-acetylcysteine (NAC)
Acetaminophen, treatment of overdose of, 62, 63t
Acetazolamide, for high altitude illness, 33
Adacel, combination vaccine, 28, 48, 49t
Adderall, *Adderall XR*. *See* Amphetamines
ADHD. *See* Attention deficit hyperactivity disorder (ADHD)
Adriamycin. *See* Doxorubicin
Aeromonas spp., travelers' diarrhea and, 29
Agenerase. *See* Amprenavir
Alcohol, for insomnia, 5
Aldactone. *See* Spironolactone
Aldosterone antagonists, for heart failure, 2, 3t
Alosetron, for irritable bowel syndrome, 13, 14t
Alprazolam, for anxiety disorders, 39t, 40
Altace. *See* Ramipril
Ambien, *Ambien CR*. *See* Zolpidem
Amitiza. *See* Lubiprostone
Amitriptyline, for depression, 36t
Amphetamines, for ADHD, 78t, 79–81
Ampicillin/sulbactam, for surgical prophylaxis, 83, 84t
Amprenavir, for HIV infection, 71t, 73
Anafranil. *See* Clomipramine
Anaspaz. *See* Hyoscyamine
Ancef. *See* Cephalosporins
Angiotensin receptor blockers (ARBs), for heart failure, 1, 3t
Angiotensin-converting enzyme (ACE) inhibitors. *See* ACE inhibitors
Antibiotics
 for irritable bowel syndrome, 15
 for surgical prophylaxis, 83–88
Antidepressants
 for depression, 35–38
 for irritable bowel syndrome, 14–15, 14t
Antidiarrheals, for irritable bowel syndrome, 12, 13t
Antihistamines, for insomnia, 5
Antimicrobial prophylaxis, for surgical procedures, 83–88
Antipsychotics
 for bipolar disorder, 40, 41t
 pregnancy and, 42, 45
 for psychotic disorders, 43–45
Antispasmodics, for irritable bowel syndrome, 12, 13t
Anxiety disorders, drugs for, 39–40, 39t
Aptivus. *See* Tipranavir
APV. *See* Amprenavir
Aralen. *See* Chloroquine
Aripiprazole
 for bipolar disorder, 40, 41t
 for psychotic disorders, 43, 44t
Armour Thyroid. *See* Thyroid USP
Aspirin, treatment of overdose of, 62–63, 63t
Atacand. *See* Candesartan

Atazanavir, for HIV infection, 71t, 73
Atenolol, for hyperthyroidism, 21t
Ativan. *See* Lorazepam
Atomoxetine, for ADHD, 78t, 81
Atovaquone/proguanil, for malaria, 30, 31t
Atripla, for HIV infection, 70t, 72
Atropine/diphenoxylate, for irritable bowel syndrome, 12, 13t
Attention deficit hyperactivity disorder (ADHD), drugs for, 77–82
Attenuvax, vaccine for measles, 50
ATV. *See* Atazanavir
Avastin. *See* Bevacizumab
Avian influenza, travel and, 32
Azactam. *See* Aztreonam
Azithromycin, for travelers' diarrhea, 29t
AZT. *See* Zidovudine
Aztreonam, for surgical prophylaxis, 83

B

Bacteroides fragilis, antibiotics for, 83
Barbituates, for insomnia, 5
Benadryl. *See* Diphenhydramine
Bentyl. *See* Dicyclomine
Benzodiazepines. *See also specific drugs*
 for anxiety disorders, 39, 39t
 for insomnia, 6, 7t
 pregnancy and, 40
 treatment of overdose of, 63–64
Beta-blockers. *See also specific drugs*
 for anxiety disorders, 40
 for heart failure, 2, 3t
 for hyperthyroidism, 21t, 23
 treatment of overdose of, 63t, 64–65
Bevacizumab, for cancer chemotherapy, 57, 57t, 58
BiDil. *See* Isosorbide dinitrate, with hydralazine
Bifidobacterium spp., for irritable bowel syndrome. *See* Probiotics
Bipolar disorder, drugs for, 40–43, 41t
Bird flu. *See* Avian influenza
Bisacodyl, for irritable bowel syndrome, 12, 13t
Bisoprolol, for heart failure, 2, 3t
Bonine. *See* Meclizine
Boostrix, combination vaccine, 28
Bumetanide, for heart failure, 2, 3t
Bumex. *See* Bumetanide
Bupropion, for depression, 35, 36t
Buspar. *See* Buspirone
Buspirone
 for anxiety disorders, 39, 39t
 pregnancy and, 40

C

Calcium, for treatment of overdose, 63t, 65
Calcium-channel blockers, treatment of overdose of, 63t, 64–65
Camptosar. *See* Irinotecan
Campylobacter jejuni, travelers' diarrhea and, 29
Cancer chemotherapy
 colorectal, 56–58, 57t
 esophageal, 55, 56t
 gastric, 56, 56t

Candesartan, for heart failure, 1, 3t
Capecitabine, for cancer chemotherapy, 57t, 58
Capoten. *See* Captopril
Captopril, for heart failure, 3t
Carbamazepine
 for bipolar disorder, 40, 41t
 pregnancy and, 42
Carbatrol. *See* Carbamazepine
Carvedilol, for heart failure, 2, 3t
Cefizox. *See* Cephalosporins
Cefobid. *See* Cephalosporins
Cefotan. *See* Cephalosporins
Celexa. *See* Citalopram
Cephalosporins, for surgical prophylaxis, 83, 84t, 85t
Ceralyte. *See* Rehydration salts
Cetuximab, for cancer chemotherapy, 57, 58
Charcoal, activated, for treatment of overdose, 61, 63, 64
Chicken pox. *See* Varicella
Chloral hydrate, for insomnia, 6
Chloroquine, for malaria, 30, 31t
Chlorpromazine, for psychotic disorders, 43, 44t
Cholera, vaccine for, 25
Cipro, *Cipro XR*. *See* Ciprofloxacin
Ciprofloxacin
 for surgical prophylaxis, 83, 85t
 for travelers' diarrhea, 29t
Cisplatin, for cancer chemotherapy, 55, 56t, 58
Citalopram, for depression, 36t
Claforan. *See* Cephalosporins
Cleocin. *See* Clindamycin
Clindamycin, for surgical prophylaxis, 83, 85t
Clomipramine, for anxiety disorders, 39t, 40
Clonazepam
 for anxiety disorders, 39, 40
 for insomnia, 7t
Clozapine
 for bipolar disorder, 43
 for psychotic disorders, 43, 44t
Clozaril. *See* Clozapine
Cognitive behavioral therapy (CBT)
 for anxiety disorders, 40
 for insomnia, 9
 for irritable bowel syndrome, 15
Colace. *See* Docusate
Combivir, for HIV infection, 70t
Concerta. *See* Methylphenidate (MPH)
Constipation, irritable bowel syndrome and, 12, 13t
Coreg. *See* Carvedilol
Cozaar. *See* Losartan
Crixivan. *See* Indinavir
Cutter Advanced. *See* Picaridin
Cymbalta. *See* Duloxetine
Cytomel. *See* Liothyronine (LT3)

D

Dalmane. *See* Flurazepam
Darunavir, for HIV infection, 71t, 73
Daytrana. *See* Methylphenidate (MPH)
ddC. *See* Zalcitabine
ddl. *See* Didanosine

- Decadron*. See Dexamethasone
- Deep vein thrombosis (DVT), travel and, 33
- DEET, for insect bite prevention, 32
- Delavirdine, for HIV infection, 69
- Demadex*. See Toremide
- Dengue fever, travel and, 32
- Depakene*. See Valproate
- Depakote*, *Depakote Sprinkle*, *Depakote ER*. See Valproate
- Depression
- adjusting drug therapy, 38
 - drugs for, 35–38, 36–37t
 - nonpharmacologic treatment of, 38
- Desipramine
- for depression, 36t
 - for irritable bowel syndrome, 14t, 15
- Desyrel*. See Trazodone
- Dexamethasone, for high altitude illness, 33
- Dexedrine*, *Dexedrine Spansules*. See Amphetamines
- Dexamethylphenidate, for ADHD, 77, 78t
- Dextromethorphan, serotonin syndrome and, 37
- Dextrostat*. See Amphetamines
- Diabetes, vaccines and patients with, 52t
- Diamox Sequels*. See Acetazolamide
- Diarrhea
- irritable bowel syndrome and, 12, 13t
 - treatment of travelers', 29, 29t
- Diazepam
- for anxiety disorders, 39t
 - for insomnia, 7t
- Dicyclomine, for irritable bowel syndrome, 12, 13t
- Didanosine, for HIV infection, 68, 70t
- Dietary supplements
- for depression, 37
 - for insomnia, 5
 - for irritable bowel syndrome, 11, 12t
 - for jet lag, 33
- Digibind*. See Digoxin Immune Fab
- DigiFab*. See Digoxin Immune Fab
- Digitalis, for heart failure, 3, 3t
- Digoxin. See also Digitalis
- for heart failure, 3, 3t
 - treatment of overdose of, 63t, 65
- Digoxin Immune Fab, for overdose of digoxin, 63t
- Dimenhydrinate, for motion sickness, 33
- Diovan*. See Valsartan
- Diphenhydramine, for insomnia, 5
- Diphtheria, vaccine for, 28, 48, 49t
- Diuretics, for heart failure, 2, 3t
- DLV. See Delavirdine
- Docetaxel, for cancer chemotherapy, 56t, 58
- Docusate, for irritable bowel syndrome, 12, 13t
- Doral*. See Quazepam
- Doxorubicin, for cancer chemotherapy, 58
- Doxycycline
- for leptospirosis prophylaxis, 32
 - for malaria, 30, 31t
- Doxylamine, for insomnia, 5
- Dramamine*. See Dimenhydrinate
- Drug interactions. See also *Adverse Drug Interactions Program* at www.medicalletter.org
- alsetron, 14
 - amphetamines, 80t
 - atomoxetine, 80t
 - benzodiazepines, 6
 - didanosine, 68
 - efavirenz, 72
 - levothyroxine (LT4), 19–20t
- Drug interactions (continued)
- lithium, 42
 - methylphenidate, 80t
 - NBRAs, 8
 - nevirapine, 72
 - ramelteon, 8
 - SSRIs, 38t
 - tenofovir DF, 69
 - trazodone, 8
- DRV. See Darunavir
- d4T. See Stavudine
- Dukoral*, vaccine for cholera, 25
- Dulcolax*. See Bisacodyl
- Duloxetine, for depression, 35, 36t
- Duranon*. See Permethrin
- DVT. See Deep vein thrombosis (DVT)
- E**
- Efavirenz, for HIV infection, 69, 72
- Effexor*. See Venlafaxine
- EFV. See Efavirenz
- Eldepryl*. See Selegiline
- Electroconvulsive therapy (ECT)
- for bipolar disorder, 43
 - for depression, 36
- Ellence*. See Epirubicin
- Eloxatin*. See Oxaliplatin
- Emsam*. See Selegiline
- Emtricitabine, for HIV infection, 68, 70t, 72
- Emtriva*. See Emtricitabine
- Enalapril, for heart failure, 3t
- Encephalitis, vaccines for, 26, 27t, 28
- Encepur*, vaccine for tick-borne encephalitis, 28
- Enfuvirtide, for HIV infection, 71t, 75
- Engerix-B*, vaccine for hepatitis B, 26, 27t, 49t, 51
- Epirubicin, for cancer chemotherapy, 56t, 58
- Epivir*. See Lamivudine
- Eplerenone, for heart failure, 2, 3t
- Epzicom*, for HIV infection, 70t
- Equetro*. See Carbamazepine
- Erbitux*. See Cetuximab
- Ertapenem, for surgical prophylaxis, 83
- Escherichia coli*, travelers' diarrhea and, 29
- Escitalopram
- for anxiety disorders, 39
 - for depression, 36t
- Eskalith*, *Eskalith CR*. See Lithium
- Estazolam, for insomnia, 7t
- Eszopiclone
- for insomnia, 6, 7t
 - pregnancy and, 8
- Ex-Lax*. See Sennosides
- F**
- Fazaclio*. See Clozapine
- Flagyl*. See Metronidazole
- Floxin*. See Ofloxacin
- Fluarix*, vaccine for influenza, 49t
- Flumazenil, for overdose of benzodiazepines, 64
- FluMist*, vaccine for influenza, 48, 49t
- Fluoroquinolones. See also *specific drugs*
- for surgical prophylaxis, 83, 85t
 - for travelers' diarrhea, 29t
- Fluorouracil (5-FU), for cancer chemotherapy, 56t, 57t, 58
- Fluoxetine
- for anxiety disorders, 40
 - for depression, 36t
- Fluphenazine, for psychotic disorders, 43, 44t
- Flurazepam, for insomnia, 7t
- Fluvirin*, vaccine for influenza, 49t
- Fluvoxamine, for anxiety disorders, 39, 39t
- Fluzone*, vaccine for influenza, 49t
- Focalin*, *Focalin XR*. See Dexamethylphenidate
- Folinic acid. See Leucovorin (LV)
- Fortaz*. See Cephalosporins
- Fosamprenavir, for HIV infection, 71t, 73
- Fosinopril, for heart failure, 3t
- FPV. See Fosamprenavir
- FSME-Immun Inject*, vaccine for tick-borne encephalitis, 28
- FTC. See Emtricitabine
- 5-FU. See Fluorouracil (5-FU)
- Furosemide, for heart failure, 2, 3t
- Fusion inhibitor, for HIV infection, 71t, 74
- Fuzeon*. See Enfuvirtide
- G**
- Gabapentin, for anxiety disorders, 39
- Gabitril*. See Tiagabine
- Garamycin*. See Gentamicin
- Gardasil*, vaccine for HPV, 49t, 53
- Gentamicin, for surgical prophylaxis, 83, 85t
- Geodon*. See Ziprasidone
- Glucagon, for treatment of overdose, 63t, 65
- Graves' disease. See Hyperthyroidism
- H**
- Haemophilus influenzae* type b, vaccine for, 53
- Halcion*. See Triazolam
- Haloperidol, for psychotic disorders, 43, 44t
- Hashimoto's thyroiditis. see Hypothyroidism
- Havrix*, vaccine for hepatitis A, 26, 27t, 49t, 52
- Hepatitis (A, B, A/B), vaccines for, 25–26, 27t, 49t, 51–53
- Herpes zoster, vaccine for, 49t, 51
- High altitude illness, treatment of, 32–33
- HIV infection
- drugs for, 67–76
 - regimens, 72t
 - vaccines in patients with, 52t
- Hivid*. See Zalcitabine
- HPV. See Human papillomavirus (HPV)
- Human papillomavirus (HPV), vaccine for, 49t, 53
- Hydralazine
- for heart failure, 2
 - with isosorbide dinitrate, 3, 3t
- Hyoscyamine, for irritable bowel syndrome, 13t
- Hyperthyroidism, drugs for, 20–24
- Hypothyroidism, drugs for, 17–20
- HZV. See Herpes zoster; Varicella
- I**
- IBS. See Irritable bowel syndrome (IBS)
- IDV. See Indinavir
- Imipramine, for depression, 36t
- Immunization
- in adults, 47–54
 - cholera vaccine, 25
 - encephalitis (tick-borne) vaccine, 28
 - encephalitis (Japanese) vaccine, 26, 27t
 - Haemophilus influenzae* type b vaccine, 53
 - for healthcare workers, 52t
 - hepatitis (A, B, A/B) vaccine, 25–26, 27t, 49t, 51–53
 - herpes zoster vaccine, 49t, 51
 - for high-risk groups, 52t
 - human papillomavirus (HPV) vaccine, 53

Immunization (continued)
 influenza vaccine, 26
 measles vaccine, 26, 50
 measles-mumps-rubella (MMR) vaccine, 26, 49t, 50
 meningitis vaccine, 27–28, 27t, 53
 mumps vaccine, 50
 pneumonia vaccine, 48, 49t
 polio vaccine, 28
 pregnancy and vaccines, 52t
 rabies vaccine, 27t, 28
 rubella vaccine, 50
 tetanus-diphtheria (Td) vaccine, 48, 49t
 tetanus-diphtheria-pertussis (Tdap) vaccine, 28, 48, 49t
 for travelers, 25–29, 27t
 typhoid vaccine, 27t, 28–29
 varicella vaccine, 49t, 51
 yellow fever vaccine, 27t, 28
Imodium A-D. See Loperamide
Imovax, vaccine for rabies, 27t, 28
Inderal. See Propranolol
 Indinavir, for HIV infection, 71t, 74
 Influenza, vaccine for, 26, 48
 Insect bites, prevention of, 31–32
 Insomnia, drugs for, 5–10
Inspira. See Eplerenone
Invanz. See Ertapenem
Invirase. See Saquinavir
 Iodine, for hyperthyroidism, 21t, 22
 Ipecac syrup, for overdose, 61
 Irinotecan, for cancer chemotherapy, 56t, 57t, 59
 Irritable bowel syndrome (IBS)
 cognitive behavioral therapy and, 15
 drugs for, 11–16
 fiber and, 11, 12t
 probiotics for, 15
 Isocarboxazid, for depression, 36t
 Isosorbide dinitrate
 for heart failure, 2
 with hydralazine, 3, 3t

J

Jet lag, treatment of, 33
JE-Vax, vaccine for Japanese encephalitis, 26, 27t

K

Kaletra. See Lopinavir/ritonavir
Klonopin, *Klonopin Wafers*. See Clonazepam
Kristalose. See Lactulose

L

Lactobacillus spp., for irritable bowel syndrome.
 See Probiotics
 Lactulose, for irritable bowel syndrome, 12, 13t
Lamictal. See Lamotrigine
 Lamivudine, for HIV infection, 68, 70t
 Lamotrigine
 for bipolar disorder, 40, 41t
 pregnancy and, 42
Lanoxin. See Digoxin
Lariam. See Mefloquine
Lasix. See Furosemide
 Laxatives, for irritable bowel syndrome, 12, 13t
 Leptospirosis, travel and, 32
 Leucovorin (LV), for cancer chemotherapy, 56t, 57t, 58
Levaquin. See Levofloxacin
Levbid. See Hyoscyamine

Levofloxacin
 for surgical prophylaxis, 83, 85t
 for travelers' diarrhea, 29t
Levothroid. See Levothyroxine (LT4)
 Levothyroxine (LT4)
 drug interactions with, 19–20t
 for hypothyroidism, 17–18, 18t
Levoxyl. See Levothyroxine (LT4)
Levsin, *Levsin/SL*. See Hyoscyamine
Levsinex. See Hyoscyamine
Lexapro. See Escitalopram
Lexiva. See Fosamprenavir
 Linezolid, serotonin syndrome and, 37
 Liothyronine (LT3), for hypothyroidism, 18, 18t
 Liotrix (LT4/LT3), for hypothyroidism, 18, 18t
 Lisinopril, for heart failure, 3t
 Lithium
 for bipolar disorder, 40, 41t
 monitoring, 42
 pregnancy and, 42
Lithobid SR. See Lithium
Lomotil. See Atropine/diphenoxylate
 Loperamide, for irritable bowel syndrome, 12, 13t
 Lopinavir/ritonavir, for HIV infection, 71t, 74
Lopressor. See Metoprolol
 Lorazepam
 for anxiety disorders, 39t
 for insomnia, 7t
 Losartan, for heart failure, 3t
Lotronex. See Alosetron
 Loxapine, for psychotic disorders, 43
 LPV/RTV. See Lopinavir/ritonavir
 LT3. See Liothyronine (LT3)
 LT4. See Levothyroxine (LT4)
 Lubiprostone, for irritable bowel syndrome, 12
 Lugol's solution. See Iodine
Lunesta. See Eszopiclone
Luvox. See Fluvoxamine

M

Magnesium hydroxide, for irritable bowel syndrome, 12, 13t
 Malaria
 countries with risk of, 30t
 drugs of choice, 31t
 treatment of, 29–31
Malarone, *Malarone Pediatric*. See Atovaquone/proguanil
 MAOIs. See Monoamine oxidase (MAO) inhibitors
Mavik. See Trandolapril
Maxipime. See Cephalosporins
 Measles, vaccine for, 26, 49t, 50
 Measles-mumps-rubella (MMR), vaccine for, 26, 49t, 50
 Meclizine, for motion sickness, 33
 Mefloquine, for malaria, 30, 31t
Mefoxin. See Cephalosporins
 Melatonin
 for insomnia, 5
 for jet lag, 33
 Melatonin receptor agonists, for insomnia, 8
Menactra, vaccine for meningitis, 27t, 28, 49t, 53
 Meningitis, vaccine for, 27–28, 27t, 49t, 53
Menomune, vaccine for meningitis, 27t, 28, 49t, 53
Meruvax II, vaccine for rubella, 50
Metadate ER, *Metadate CD*. See Methylphenidate (MPH)
 Methicillin-resistant *Staphylococcus aureus* (MRSA) infections, surgical prophylaxis and, 85

Methimazole, for hyperthyroidism, 21, 21t
Methylin, *Methylin Chewable*, *Methylin Oral Solution*, *Methylin ER*. See Methylphenidate (MPH)
 Methylphenidate (MPH), for ADHD, 77, 78t, 79
 Metolazone, for heart failure, 3
 Metoprolol
 for heart failure, 2, 3t
 for hyperthyroidism, 21t
 Metronidazole, for surgical prophylaxis, 83, 84t
Miralax. See Polyethylene glycol
 Mirtazapine, for depression, 35, 36t
 MMR. See Immunization
MMR II, vaccine for MMR, 49t
 Modafinil, for ADHD, 81
 Molindone, for psychotic disorders, 43
 Monoamine oxidase (MAO) inhibitors
 for anxiety disorders, 39
 for depression, 35, 36t
 pregnancy and, 38
 serotonin syndrome and, 37
Monopril. See Fosinopril
 Motion sickness, treatment of, 33
Mucomyst. See N-acetylcysteine (NAC)
 Mumps, vaccine for, 26, 49t, 50
Mumpsvax, vaccine for mumps, 50
 Myxedema coma, hypothyroidism and, 20

N

N-acetylcysteine (NAC), for acetaminophen overdose, 62
 Naloxone, for opioid overdose, 65
Narcan. See Naloxone
Nardil. See Phenelzine
Navane. See Thiothixene
 Nefazodone, for depression, 35, 36t
Neisseria meningitidis, meningococcal vaccine and, 27, 53
 Nelfinavir, for HIV infection, 71t, 74
 Neomycin, for surgical prophylaxis, 84t
Neurontin. See Gabapentin
 Nevirapine, for HIV infection, 72
 NFV. See Nelfinavir
Niravam. See Alprazolam
 Nonbenzodiazepine benzodiazepine receptor agonists (NBRAs), for insomnia, 6, 7t
 Non-nucleoside reverse transcriptase inhibitors (NNRTIs), for HIV, 69, 70t
 Norfloxacin, for travelers' diarrhea, 29t
Noroxin. See Norfloxacin
Norpramin. See Desipramine
 Nortriptyline
 for depression, 36t
 for irritable bowel syndrome, 14t, 15
Norvir. See Ritonavir
 Nucleoside reverse transcriptase inhibitors (NRTIs), for HIV infection, 67–69, 70t
 Nucleotide reverse transcriptase inhibitor (NRTI), for HIV infection, 69, 70t
 NVP. See Nevirapine
Nytol. See Diphenhydramine

O

Obsessive-compulsive disorder (OCD).
 See Anxiety disorders
 Ofloxacin, for travelers' diarrhea, 29t
 Olanzapine
 for bipolar disorder, 40, 41t
 for psychotic disorders, 43, 44t
 Opioids, treatment of overdose of, 63t, 65

ORS. *See* Rehydration salts
Overdose, treatment of pharmaceutical drug, 61-66
Oxaliplatin, for cancer chemotherapy, 56t, 57t, 59
Oxazepam
 for anxiety disorders, 39t
 for insomnia, 7t
Oxcarbazepine, for bipolar disorder, 43

P

Pamelor. *See* Nortriptyline
Panic disorder. *See* Anxiety disorders
Paracetamol. *See* Acetaminophen
Parnate. *See* Tranylcypromine
Paroxetine
 for anxiety disorders, 39
 for depression, 36t
 for irritable bowel syndrome, 14
Paxil. *See* Paroxetine
Penicillin, for surgical prophylaxis, 84t
Pepto-Bismol, for travelers' diarrhea, 29
Perindopril, for heart failure, 3t
Permanone. *See* Permethrin
Permethrin, for insect bite prevention, 32
Perphenazine, for psychotic disorders, 43, 44t
Pertussis, vaccine for, 28, 48, 49t
Pexeva. *See* Paroxetine
Phenelzine, for depression, 36t
Phenergan. *See* Promethazine
Phillips' Milk of Magnesia. *See* Magnesium hydroxide
Picaridin, for insect bite prevention, 32
Plasmodium spp., malaria and, 30, 31t
Platinol. *See* Cisplatin
Pneumonia, vaccine for, 48, 49t
Pneumovax 23, vaccine for pneumonia, 49, 49t
Poisoning, drug. *See* Overdose
Polio, vaccine for, 28
Polyethylene glycol, for irritable bowel syndrome, 12, 13t
Posttraumatic stress disorder (PTSD). *See* Anxiety disorders
Pregnancy
 anxiety disorders treatment and, 40
 bipolar disorder treatment and, 42
 depression treatment and, 38
 HIV infection treatment and, 75
 hyperthyroidism and, 23
 hypothyroidism and, 20
 insomnia treatment and, 5, 6, 7t, 8, 9
 malaria and, 31
 psychotic disorders treatment and, 45
 vaccines and, 52t
Prenvar, vaccine for pneumonia, 49
Prezista. *See* Darunavir
Primaquine, for malaria, 30, 31t
Prinivil. *See* Lisinopril
Probiotics, for irritable bowel syndrome, 15
Prolixin. *See* Fluphenazine
Promethazine, for motion sickness, 33
Propranolol
 for anxiety disorders, 40
 for hyperthyroidism, 21t
Propylthiouracil (PTU), for hyperthyroidism, 20, 21t
ProSom. *See* Estazolam
Protease inhibitors (PIs), for HIV infection, 71t, 72-74
Provigil. *See* Modafinil
Prozac. *See* Fluoxetine

Pseudomonas spp., surgical prophylaxis and, 85t
Psychotic disorders, drugs for, 43-45
PTU. *See* Propylthiouracil (PTU)

Q

Quazepam, for insomnia, 7t
Quetiapine
 for bipolar disorder, 41t, 42
 for psychotic disorders, 44t
Quinapril, for heart failure, 3t

R

RabAvert, vaccine for rabies, 27t, 28
Rabies, vaccine for, 27t, 28
RAI-131. *See* Iodine
Ramelteon, for insomnia, 7t, 8
Ramipril, for heart failure, 3t
Recombivax-HB, vaccine for hepatitis B, 27t, 49t, 51
Rehydration salts, for travelers' diarrhea, 29
Remeron, *Remeron SolTab*. *See* Mirtazapine
Repellents, insect. *See* Insect bites, prevention of
Rescriptor. *See* Delavirdine
Restoril. *See* Temazepam
Retrovir. *See* Zidovudine
Reyataz. *See* Atazanavir
Rifaximin
 for irritable bowel syndrome, 15
 for travelers' diarrhea, 29t
Risperdal, *Risperdal M-Tab*. *See* Risperidone
Risperidone
 for bipolar disorder, 41t, 42
 for psychotic disorders, 43, 44t
Ritalin, *Ritalin SR*, *Ritalin LA*. *See* Methylphenidate (MPH)
Ritonavir, for HIV infection, 74
Rocephin. *See* Cephalosporins
Romazicon. *See* Flumazenil
Rozerem. *See* Ramelteon
RTV. *See* Ritonavir
Rubella, vaccine for, 26, 49t, 50

S

Salmonella spp., travelers' diarrhea and, 29
Saquinavir, for HIV infection, 71t, 74
SARS. *See* Severe acute respiratory syndrome (SARS)
Sawyer Controlled Release. *See* DEET
Schizophrenia. *See* Psychotic disorders
Scopace. *See* Scopolamine
Scopolamine, for motion sickness, 33
Selective serotonin reuptake inhibitors (SSRIs)
 for anxiety disorders, 39
 for depression, 35, 36t
 for irritable bowel syndrome, 14
 pregnancy and, 38
 serotonin syndrome and, 37
Selegiline, for depression, 36t
Senekot. *See* Sennosides
Sennosides, for irritable bowel syndrome, 12, 13t
Seroquel. *See* Quetiapine
Serotonin (5-HT) modulators, for irritable bowel syndrome, 12-14, 14t
Serotonin norepinephrine reuptake inhibitors (SNRIs)
 for depression, 35, 36t
 pregnancy and, 38
 serotonin syndrome and, 37
Sertraline, for anxiety disorders, 39

Severe acute respiratory syndrome (SARS), travel and, 32
Shigella spp., travelers' diarrhea and, 29
Shingles. *See* Herpes zoster
SNRIs. *See* Serotonin norepinephrine reuptake inhibitors (SNRIs)
Sodium bicarbonate, for treatment of overdose, 63, 63t, 66
Sonata. *See* Zaleplon
Spironolactone, for heart failure, 2, 3t
SQV. *See* Saquinavir
SSKI. *See* Iodine
SSRIs. *See* Selective serotonin reuptake inhibitors (SSRIs)
St. John's wort, for depression, 37
Staphylococcus spp., surgical prophylaxis and, 84t, 85t
Stavudine, for HIV infection, 68, 70t
Stelazine. *See* Trifluoperazine
Strattera. *See* Atomoxetine
Streptococcus pneumoniae, vaccine for, 48
Sumatriptan, serotonin syndrome and, 37
Surgical procedures, antimicrobial prophylaxis for, 83-88
Sustiva. *See* Efavirenz
Symbyax. *See* Olanzapine
Synthroid. *See* Levothyroxine (LT4)

T

T3. *See* Triiodothyronine (T3)
T4. *See* Thyroxine (T4)
T20. *See* Enfuvirtide
Taxotere. *See* Docetaxel
3TC. *See* Lamivudine
TDF. *See* Tenofovir DF
Tegaserod, for irritable bowel syndrome, 12, 14t
Tegretol, *Tegretol XR*. *See* Carbamazepine
Temazepam, for insomnia, 7t
Tenofovir DF, for HIV infection, 69, 70t, 72
Tenormin. *See* Atenolol
Tetanus, vaccine for, 28, 48, 49t
Thiamazole. *See* Methimazole
Thionamides, for hyperthyroidism, 20-22
Thioridazine, for psychotic disorders, 44t
Thiothixene, for psychotic disorders, 44t
Thorazine. *See* Chlorpromazine
Thyroid function tests (TFTs), for thyroid disorders, 18, 22
Thyroid stimulating hormone (TSH), testing for, 18, 22
Thyroid storm, hyperthyroidism and, 23
Thyroid USP, for hypothyroidism, 18t, 20
Thyrolar. *See* Liotrix (LT4/LT3)
Thyroxine (T4), thyroid disorders and, 17, 20
Tiagabine, for anxiety disorders, 39
Tipranavir, for HIV infection, 71t, 74
Tofranil. *See* Imipramine
Toprol-XL. *See* Metoprolol
Torsemide, for heart failure, 2, 3t
TPV. *See* Tipranavir
Tramadol, serotonin syndrome and, 37
Trandolapril, for heart failure, 3t
Transderm Scop. *See* Scopolamine
Tranylcypromine, for depression, 36t
Travel medicine. *See also specific diseases; specific infecting organisms*
 diarrhea, 29
 insect bites, 31-32
 malaria, 29-31

Travel medicine (continued)
 noninfectious risks, 32–33
 respiratory infections, 32
 vaccines, 25–29

Trazodone
 for depression, 35, 37t
 for insomnia, 8
 pregnancy and, 9

Triazolam, for insomnia, 7t

Tricyclic antidepressants (TCAs)
 for anxiety disorders, 39
 for depression, 35, 36t
 for irritable bowel syndrome, 14–15, 14t
 pregnancy and, 38
 treatment of overdose of, 63t, 66

Trifluoperazine, for psychotic disorders, 44t

Triiodothyronine (T3), thyroid disorders and,
 17, 20

Trizivir, for HIV infection, 70t

Truvada, for HIV infection, 70t

Twinrix, vaccine for hepatitis A/B, 26, 27t, 49t,
 51, 52

Twinrix Junior, vaccine for hepatitis A/B, 26

Tylenol. *See* Acetaminophen

Typhim Vi, vaccine for typhoid, 27t, 28

Typhoid, vaccine for, 27t, 28

U

Ultram. *See* Tramadol

Ultrathon. *See* DEET

Unasyn. *See* Ampicillin/sulbactam

Unisom. *See* Doxylamine

Unithroid. *See* Levothyroxine (LT4)

V

Vaccines. *See* Immunization; *specific diseases*

Valerian root, for insomnia, 5

Valium. *See* Diazepam

Valproate
 for bipolar disorder, 40, 41t
 pregnancy and, 42

Valsartan, for heart failure, 2, 3t

Vancocin. *See* Vancomycin

Vancomycin, for surgical prophylaxis, 83, 84t, 85t

Vaqta, vaccine for hepatitis A, 27t, 49t, 52

Varicella, vaccine for, 49t, 51

Varivax, vaccine for varicella, 49t, 51

Vasodilators, for heart failure, 2, 3t

Vasotec. *See* Enalapril

Venlafaxine
 for anxiety disorders, 39
 for depression, 35, 36t

Vibramycin. *See* Doxycycline

Videx EC. *See* Didanosine

Viracept. *See* Nelfinavir

Viramune. *See* Nevirapine

Viread. *See* Tenofovir DF

Vivotif Berna, vaccine for typhoid, 27t, 28

W

Wellbutrin, Wellbutrin SR, Wellbutrin XL.
 See Bupropion

Whooping cough. *See* Pertussis

X

Xanax, Xanax XR. *See* Alprazolam

Xeloda. *See* Capecitabine

Xifaxan. *See* Rifaximin

Y

Yellow fever, vaccine for, 27t, 28–29

YF-Vax, vaccine for yellow fever, 27t, 28

Z

Zalcitabine, for HIV infection, 68, 70t

Zaleplon
 for insomnia, 6, 7t
 pregnancy and, 8

Zaroxolyn. *See* Metolazone

ZDV. *See* Zidovudine

Zebeta. *See* Bisoprolol

Zelnorm. *See* Tegaserod

Zerit. *See* Stavudine

Zestril. *See* Lisinopril

Ziagen. *See* Abacavir

Zidovudine, for HIV infection, 68, 70t

Zinacef. *See* Cephalosporins

Ziprasidone
 for bipolar disorder, 41t, 42
 for psychotic disorders, 43, 44t

Zithromax. *See* Azithromycin

Zoloft. *See* Sertraline

Zolpidem
 for insomnia, 6, 7t
 for jet lag, 33
 pregnancy and, 8

Zostavax, vaccine for herpes zoster, 49t, 51

Zyprexa, Zyprexa Zydis. *See* Olanzapine

Zyvox. *See* Linezolid

2006 Index (vol 4)

Tables

Heart Failure	
Treatment of Heart Failure (dosage and cost)	3
Insomnia	
Some Hypnotics	7
Irritable Bowel Syndrome	
Treatment of IBS	11
Some Sources of Fiber	12
Drugs for Irritable Bowel Syndrome (dosage)	13, 14
Hypothyroidism and Hyperthyroidism	
Oral Drugs for Hypothyroidism (dosage and cost)	18
Some Drug Interactions with Levothyroxine (LT4)	19-20
Oral Drugs for Hyperthyroidism (dosage and cost)	21
Advice for Travelers	
Low-Risk Regions for Hepatitis A & B	26
Some Immunizations for Travel (dosage and schedule)	27
Some Drugs for Treatment of Travelers' Diarrhea (dosage and cost)	29
Countries with a Risk of Malaria	30
Drugs of Choice for Prevention of Malaria	31
Psychiatric Disorders	
Some Drugs for Depression (dosage and cost)	36-37
SSRI Drug Interaction Highlights	38
Some Drugs for Anxiety (dosage and cost)	39
Some Drugs for Bipolar Disorder (dosage and cost)	41
Some Adverse Effects of Second-Generation Antipsychotics	43
Some Drugs for Psychotic Disorders (dosage and cost)	44
Adult Immunization	
Vaccine Preparations	47
Vaccines for Adults	49
Adult Vaccines According to Risk Group	52
Chemotherapy for Esophageal, Gastric and Colorectal Cancers	
Some Treatment Regimens Used for Upper GI Cancers	56
Some Treatment Regimens Used for Metastatic Colorectal Cancer	57
Pharmaceutical Drug Overdose	
Treatment of Overdose	63
HIV Infection	
NRTIs/NNRTIs (dosage and cost)	70
PIs/Fusion Inhibitor (dosage and cost)	71
Antiretroviral Regimens for Treatment-Naïve Patients	72
Some Antiretroviral Drugs That Should Not Be Used Together	73
ADHD	
Some Drugs for ADHD (dosage and cost)	78
Some Drug Interactions	80
Antimicrobial Prophylaxis for Surgery	
Nature of Operation/Common Pathogens/Recommended Antimicrobials/Dosage	84-85
